

Goering Takes Responsibility For Decrees Against Jews

By NOLAN NORGAARD
Nuernberg, March 20 (AP)—Hermann Goering told the international military tribunal today that he had signed numerous anti-Jewish decrees as president of the Reichstag and "I assume full responsibility" for them.

In the witness box for the sixth day in his own defense, the former reichsmarshal declared that both Joseph Goebbels and Heinrich Himmler were more radical than himself on the Jewish question.

He said defendant Julius Streicher was violently anti-Jewish, but dismissed him as "not a member of the government and although he was a Gauleiter he had no influence on the government."

Frequent Clashes
Both Goering and Justice Robert H. Jackson, chief U. S. prosecutor, showed the strain of hours of cross-examination and there were frequent clashes between the two.

Lord Justice Geoffrey Lawrence, presiding member of the tribunal, overruled Jackson's effort to compel Goering to stop making what the prosecutor termed "propaganda" remarks from the witness stand. Jackson contended Goering was being permitted to "take control of proceedings."

Jackson's annoyance expressed itself again when Goering testified that he had ordered Security Police to withhold action against the participants in a pogrom in November, 1939, because "I myself wanted to take the necessary action."

"You know that's not the truth," Jackson declared. "I put it to you squarely."

Many Challenges
Goering replied again that he took his protests against these anti-Jewish excesses directly to Hitler and therefore did not want underlings to take action.

The hearing progressed slowly as Goering repeatedly challenged the accuracy of translations of various prosecution documents.

Under steady questioning, Goering conceded the authenticity of documents showing that Nazi party courts were given precedence over penal courts in trying Nazis for anti-Jewish excesses; that party courts were instructed to prevent publicity of the fact that Nazis were instructed to start such disorders and that only minor punishments were imposed for slaying Jews.

FAIRFIELD HIGH COURT SQUADS DINNER GUESTS

Dr. Thomas Cline, Gettysburg college, was the guest speaker at the testimonial banquet to the Fairfield high school basketball squads which was given Tuesday evening at 6:30 at the Fairfield community hall under the sponsorship of the Fairfield Lions' club.

Doctor Cline, in his address, compared sports to the game of life by outlining the rules and regulations which govern both games. He presented the American game of life and its association with the game of sports, played with the will to win but played honorably, to the game of life in Germany without a field of sports. Had Germany a field of sports as America, he remarked, and the American spirit to play the game honorably, it is doubtful that there would have been a second world war.

Jack Shainline, basketball coach, presented the teams' record and remarked that the "fighting spirit" displayed throughout the season was the best he had ever seen. Next season "Fairfield will present the same fighting spirit and will be a tough team to beat," Coach Shainline said.

Alton White, supervising principal of the Fairfield schools; Robert Kleppinger, president of the Lions' club, and Roger Herr, Gettysburg college basketball star, spoke briefly.

Basketball letters were presented to the following squad members by Herbert Miller, director of athletics: Betty Musselman, Marion Sanders, Janet Musselman, Catherine Cool, Phyllis McClellan, Betty Joe Sites, Essie Seifert, Diane Carson, Mary Jane Carson, Mary Wilson, Mary Jean Metz, Jo-Anne Wortz, manager; William Newman, Dwight Strasbaugh, Dale Rider, Rodney Harbaugh, James Weikert, Jay Brown, Leonard Sites, John Dick and Ralph Neely, manager.

GIVEN DISCHARGE

T/Sgt. Lloyd E. Cromer, son of Mr. and Mrs. H. S. Cromer, was recently discharged from the army at Ft. Dix, N. J. He was in the service 37 months and spent 10 months of that time in Germany and the south Pacific.

PRICE THREE CENTS

SEEK COUNTIAN FOR FRAUD ON LUMBER SALES

An Adams county man who has fled at least one other countian and a Cumberland county resident out of \$60 each is the object of police searches in the two counties.

Reports from Carlisle state police today state that a Mt. Holly Springs man was charged out of \$60 and the office of Sheriff John E. Millhimes here said they have had a similar report from a county resident who lost a similar sum in the same manner. Neither of the victims was identified.

The man, who gave his name as Ivan Sentz or I. C. Sentz, of Gettysburg R. D. 5, worked a game of "selling" seasoned lumber to people who are building or remodeling homes. His usual story, according to the police, was that he has a large quantity of seasoned lumber, oak, maple and poplar, stored at his sawmill at Emmitsburg or Westminster, Md.

Failed to Deliver

He told his prospective customers that he must pay for the milling or finishing out of his own pocket. He asked them to pay spot cash for the cost of finishing the lumber, such as tonguing and grooving and planing it. The usual price is \$12 to \$14 per 1,000 feet. The bill for the lumber, usually \$85 per 1,000 feet, was to be paid when his trucks deliver it to the purchaser.

Eager to get seasoned lumber, the victims believed Sentz's story and gave him \$60 to cover costs of milling a quantity. The finished lumber was never delivered.

At the time the deal was made with these victims, the man approached a number of other prospective builders there and elsewhere in the area. They refused to fall for the story, and, as far as police know, the Mt. Holly man and the Adams countian are the only ones who turned over cash. There may be others who have paid out cash to him. "If there are more we want to know about it," police said.

Uses Many Names
Sentz, who has worked under a number of aliases, operated in the county during the middle of February.

Police said Sentz was released from the Maryland state penitentiary in February, 1945, after serving (Please turn to Page 2)

BULLETINS

German Admits Gassing Of Two Million In Two Months

Berlin, March 20 (AP)—The gassing of 2,000,000 Jews and other persons at the Oswiecim horror camp has been admitted in a signed statement given to British authorities by Rudolf Hoess, 46-year-old commandant of the camp, who was arrested on March 8.

Hoess, who was found hiding out on a farm near Plesburg, signed the confession on March 16, British officials declared. They quoted Hoess' statement as saying:

"I personally arranged, on orders received from Himmler in May, 1941, the gassing of 2,000,000 persons be-

TO MAKE LOANS FOR 1946 CROPS

R. O. Westbrook, field supervisor for the Emergency Crop and Feed Loan office, said today that farmers of Adams county are now applying for loans to finance the production of 1946 crops. Applications for loans are being accepted in the county AAA office or at the points and times given below when the field supervisor will be in the county.

Emergency Crop and Feed loans are available to farmers who own or have the use of necessary work-stock and equipment, and who can give as security a first lien on the crops to be financed. Loans are also available for the purchase or production of feed for livestock to be fed for market. As security, a first lien on the stock is required. Field supervisor Westbrook emphasized that these loans are not restricted to selected applicants but are available to all farmers who can establish eligibility.

Farmers who are interested in this type of service may obtain further information by communicating with Field Supervisor Westbrook at the places shown below:

Cross Keys Inn Furnishings Taken

While 150 revelers made merry in the downstairs grill room of the Cross Keys Inn Tuesday night some culprit, or culprits, burglarized the upstairs lobby of six chairs, three cocktail tables and six sets of knives and forks, according to state police.

The investigating officers believe that the thieves opened a window and then walked out the door with the equipment.

Henry Grifflie, manager of the hotel is nonplussed about the whole thing. He was in the lobby about 10 o'clock, and returned about 11 to find the articles gone, taken as he says, "practically out from under my nose."

NAVAL OFFICER AND WIFE GIVE \$250 TO DRIVE

Attorney and Mrs. Donald P. McPherson's donation of \$250 to the Adams County Red Cross fund drive brought the amount given so far to nearly \$5,000. Shortly before noon the total was \$4,935.44.

Attorney McPherson recently completed nearly two years of service as an officer in the U. S. Navy. He entered service with the navy in 1944 after serving during the first part of the war as chairman of the county rationing board.

Seek \$14,050
The amount was the largest single donation by any individual during the current drive. Larger donations have been made, however, by at least one corporation. Quota for the current campaign is \$14,050.

Employees of the Standard Garment company gave \$18.15 according to reports made today. Of the amount \$11.50 was given by employees of Plant No. 1 on North Washington street and the remainder by employees of Plant No. 2 on Chambersburg street.

Gifts of \$10 were made by the Rock Top club, Mrs. Walter Africa, Mr. and Mrs. John Klimefelter, Class No. 43 of the St. James Lutheran Sunday school and Dr. M. H. Valentine.

Donations of \$5 were made by Mrs. Dunning Idle, Sr., Dr. C. G. Crist, Acorn club, Mrs. Florence G. Reynolds, Mrs. Edgar Miller, Ann's Beauty Shop, Mrs. Alma Bowman, Miss Margaret C. Howard, Robert McNaair, Mr. and Mrs. Oliver J. Waybright and the Rev. Fr. John Metz.

Need Is Urgent
Officials of the Red Cross today pointed out the need for reaching the goal in the current drive, declaring that the services rendered by the Red Cross have not been lessened by the end of the war.

Assistance must still be rendered to the servicemen in the armed forces, and the need of ex-servicemen for the Red Cross is increasing daily. Production continues on a high level. The need for the people of Europe and other countries to be clothed and programs of swimming, first aid and the like have increased.

BEE IS BLAMED FOR \$500 CRASH

The attempts of James T. Hayter, Gettysburg R. 4, to chase away a bee which appeared about to sting his face caused a two-car collision about 1 o'clock this afternoon, one mile north of Gettysburg on the Harrisburg road.

Hayter told police he was driving north when a bee settled on his face near his right eye. When he tried to knock the bee off his face with his hand he bumped the glasses off his face and lost control of the car, Hayter said.

Dr. E. J. Neumuller, Wilkes-Barre dentist, on his way to Washington, who was driving south said that Hayter's car suddenly veered across the road into the side of his vehicle. Neumuller's car was pushed into the porch of a guide station on the west side of the road and the vehicle driven by Hayter and owned by his employer, Allura S. Smith, Gettysburg R. D., went over a bank on the west side of the highway after hitting the other car.

State police were conducting an investigation into the accident this afternoon. Total damage was about \$500. Hayter suffered an injury to his left knee in the accident.

SCOUTS SET UP NEW SALVAGE DRIVE PLANS

Gettysburg's boy scouts will inaugurate a new system of collections for salvage paper Saturday. It was announced today by Dr. Frederick Tilberg. Previously all scouts had joined in a monthly gathering of the town's scrap paper. Under the new plan collections will be made every two weeks with only one troop in charge for each collection.

The change was made because many local residents had asked for such a change, it was announced. Holding paper for monthly collections made such a large pile that many homes with slight storage facilities were unable to keep the entire collection of scrap paper through the month. Under the present plan the scouts hope to be able to handle all scrap paper without any fire hazards resulting such as were made by some large collections of paper being retained in the homes for monthly periods.

Collect On Saturday
First salvage campaign under the new system will be held Saturday afternoon starting at 1 o'clock from the fire engine house with the St. James troop in charge. The second drive will follow in two weeks with another troop conducting the campaign. Each troop will be in charge every three weeks and all money made by sale of the paper during any particular drive will go to the troop conducting the drive.

To start the new system all of the scouts in town plan to distribute circulars to all homes on Friday announcing Saturday's collection and the proposed plan of collections every other Saturday hereafter.

The scouts will be under adult supervision hereafter as they conduct the drives. Two trucks will be used for the collection this Saturday, Doctor Tilberg stated.

GUILD HOLDS SPRING MEET

The spring meeting of the Women's Guild of Trinity Evangelical Reformed church was held Tuesday night at the church, with Mrs. Howard S. Fox, president, in charge.

The program part of the meeting was conducted by Mrs. Sara Bolinger, Mrs. Robert P. Snyder, Mrs. Donald Fissel and Mrs. Elbert Harbaugh read selections from the Scripture pertaining to church unity. Mrs. Guyon E. Buehler sang "Thy Will Be Done." She was accompanied by Miss Alice Snyder at the piano.

A discussion and explanation of the proposed merger of the Trinity Evangelical and the Congregational Christian churches followed, with Miss Snyder, Mrs. Fox, Mrs. W. Preston Hull and Mrs. Donald E. Myers taking part.

Minutes of the fall meeting were read by the secretary, Mrs. Russell M. Spangler. The guild voted \$15 to the Red Cross and \$25 to the YWCA. It also voted to pay the expenses of delegates to two conferences this year, the Nevin conference at Spring Grove early in May and the synodical conference in York September 26.

Fractures Skull During Cage Tilt

David Seaton, 18, Merchantville, N. J., a student at Gettysburg college, is a patient at the Warner hospital with a slight fracture of his skull above the right eye received when he collided with another student while playing basketball Tuesday afternoon about 5 o'clock. His condition is described as not serious.

Glenn Slaybaugh, Jr., Gettysburg R. 3; Samuel Knox, Gettysburg R. 2, and Mrs. John Hauser, Biglerville, have been admitted as patients to the Warner hospital. James Spidel, Franklinton, has been discharged. Mrs. John Glenn, East Lincoln avenue, was discharged to Johns Hopkins hospital, Baltimore, Tuesday.

Mr. and Mrs. Lloyd F. Weaver held a birthday dinner Sunday in honor of their daughter, Patricia, who celebrated her fifth birthday. Those present were: Mr. and Mrs. Paul E. Altoff; Mr. and Mrs. P. Emory Weaver, Barbara and Virginia Harrell; Mr. and Mrs. L. F. Weaver, daughter, Patricia; Eugene Collins, and Nadine Collins.

Choir rehearsal will be held in St. Paul's Lutheran church on Thursday evening at 7:30 o'clock.

Local Man Faces Code Violation

Arrested at 12:35 a. m. Tuesday, on a charge of operating a motor vehicle without the consent of the owner, John Cullison, Breckenridge street, pleaded guilty before Justice of the Peace John H. Basore Tuesday afternoon, and was held for sentence court. He was re-committed to jail in default of \$500 bail.

Cullison, borough police said, was arrested in the act of driving away with a car owned by Lewis S. Bromberger, 331 South Washington street.

TWO ENLIST
Charles F. Lawver, 17, son of Mr. and Mrs. Danold L. Lawver, Gettysburg R. 3, and Richard B. Staub, 17, son of Mr. and Mrs. Ellis E. Staub, New Oxford R. 1 have enlisted for three years for duty with the Army Air Force in Europe, Sgt. Lutz, in charge of the Hanover recruiting office has announced.

American officials predicted that this country will support fully the troubled nation's appeal to the United Nations for prompt action. And indications are that of the 11 council members, Iran will get an easy majority for putting its case on the agenda for early consideration in the sessions scheduled to open in New York next Monday.

Officials do not discount the possibility that Russia may object. However, since only a majority is required and since Russia normally votes against certain today to gain

ELMER WARREN IS NEW HEAD OF RECREATION BD.

Elmer W. Warren, Springs avenue, was elected chairman of the Gettysburg Recreation board Tuesday afternoon succeeding Paul A. Kinsey, who had headed the board since its establishment in 1942. Mr. Kinsey declined re-election.

The new chairman has been treasurer of the board for the past two years. Ralph Z. Oyer was named to fill the post of treasurer for the coming year. Mahlon P. Hartzell, Sr., secretary of the board since its establishment, was re-elected for another term. George D. March and Mr. Kinsey are the two other members of the five-man organization set up by the community to handle the playground facilities of the town.

Plans for the coming year and plans for the forthcoming fund drive will be outlined at a meeting of the board Thursday, March 28, at 4:30 p. m. in the Metropolitan Edison company office. It was announced at the conclusion of Tuesday's session.

May Open Earlier
The possibility of opening the playground at the high school earlier this year was discussed. Previously the grounds were opened during the second week of June and remained open for 10 weeks, closing late in August. Final decision on the dates for the opening and closing will be made possibly at the next meeting, it was stated today.

Fred P. Haehten has been supervisor for the playground since its establishment and it was believed today that he will be renamed at the next session for another term. Members of the board asserted that this year's use of the playground will probably be the largest on record with the demands for labor among children probably being lower than during the war years. Last season attendance was 5,714, the lowest figure on record, but members of the board said that the low attendance was due to two reasons—the rainy weather throughout the season and the fact that the 14- to 18-year-old group for the most part was working in orchards and farms throughout the county.

Laud Kinsey
Tribute was paid by the other board members to former chairman Kinsey for his "splendid efforts in establishing the board and in promoting recreational facilities in Gettysburg." One member pointed out that "Mr. Kinsey is more responsible for the playground than any other person in Gettysburg. He gave freely of his time and effort and first pushed the idea and then made it work."

Attendance at the playground in 1943 was 8,500 and in 1944 when the town's youngsters began, to a great extent, to work in orchards because of the war time help shortage, attendance dropped to 7,000.

OPA MEN HERE TO PROBE SALES

Two OPA representatives were in Gettysburg Tuesday to investigate "numerous complaints" of over-ceiling sales of farm machinery, automobiles and trucks in this county.

Harvey S. Plummer, machinery price specialist, and Frank L. Boch, a specialist on autos and trucks, were gathering facts on sales upon which the Philadelphia district office has had complaints.

Farm sales, general auctions and private sales of machines and motor vehicles covered by ceiling restrictions are being probed.

Mr. Plummer cited one complaint received from an ex-serviceman who had paid \$1,125 for a used Fordson tractor. The base price for the machine is \$525 but the top sale price allowed by the OPA is 85 per cent of the base figure, Mr. Plummer pointed out.

The OPA men, who work out of the Philadelphia office which now covers 30 counties in the eastern part of the state since the discontinuance of the Harrisburg district office, could not say whether their investigations will result in the filing of charges. They pointed out that in such cases the offenders are given opportunities to pay their penalties without prosecution.

File Fictitious Names Certificates

Two certificates to do business under fictitious names were filed today in the office of Prothonotary Arthur H. Shields. Glenn C. Bream filed a certificate to do business at 204 Chambersburg street as Gettysburg Motors, and George A. and Helen M. Kress, Littlestown, filed one to conduct a restaurant at 102-104 New York street, Littlestown, as George's Restaurant.

HITLER'S MARK LEFT ON MORALE OF EUROPEANS

By DEWITT MACKENZIE (AP World Traveler)

Paris, March 20 (AP)—One of the most terrible of the evils which Hitler inflicted on this continent was his deliberate destruction of moral and spiritual fibres, not only in his own country but in conquered territories, to facilitate the enslavement of Europe.

Many folk who abhorred Nazism nevertheless unwittingly became contaminated to the extent that their moral stamina was weakened. You see this mark of the swastika in numerous parts of the continent and it provides a great problem in rehabilitation, because all phases of recovery—economic, political, social—are affected.

Germany itself probably has been hurt more deeply than any other country in this respect. He so far succeeded in destroying religion and substituting his pagan savagery in the minds of German youth that some allied authorities count many of those between the ages of about 14 and 35 as lost to civilization.

Damage Reflected Now

While Hitler brutalized his own people, he did at the same time try to create a high militaristic morale among them. In the conquered countries his object was to destroy not only morals but morale and so deprive the subjugated people of their will to resist his domination.

France was one of the countries in which the Nazi dictator employed the most subtle poison at his disposal, and he had some five years in which to work. He long had planned to destroy France morally. He wanted to create out of this great country one of the main buttresses of the conquered territories which he proposed to hold in servitude.

There were, of course, great numbers of French people who resisted the Hitlerite campaign to the utmost. Still, my French friends—of whom I have had many of these 30 years—tell me that the Fuehrer did do much damage which is being reflected these hard days in the frightful black markets and in a loss of public spirit in some sections of the population.

Built Black Markets

The German assaults on morals and morale were cleverly plotted. It began with cultivation of the idea that, after all, the Reich wanted to keep France prosperous. By way of proving this the invaders were amazingly free with cash. Money was no object—and why should it be? They took it from the French state treasury with one hand and squandered it with the other in trying to buy the goodwill of the people. Apropos of this, German documents recently discovered here purport to show that some 23,000 Frenchmen applied for German nationality.

The Nazis were especially liberal with money among the great farming population, paying high prices without question for foodstuffs. In this way a black market in food soon was created and grew apace with German support. Similar tactics were employed in the cities, and black markets were encouraged for all sorts of commodities.

Iran's Troubles

(Continued from Page 1)
can count only on Polish support to back up any opposition, the required seven votes for consideration seem assured.

The Iranian complaint was made public here last yesterday by UNO General Secretary Trygve Lie. Filed by Iranian Ambassador Hussein Aia, who has been designated by his government to plead the case before the Security Council, it made these two specific charges:

1. That Red army troops are remaining in Iranian territory beyond the March 2 deadline fixed under an Anglo-Soviet-Iranian treaty of January, 1942. This treaty specified that all foreign troops should be withdrawn from the country six months after the end of the war.

2. That Russia "is continuing to interfere in the internal affairs of Iran through the medium of Soviet agents, officials and armed forces." Meanwhile, it appeared that in the face of these charges Russia is continuing to send reinforcements into Iran for objectives still described here as obscure.

The latest reports reaching the United States government said the troops were moving in the general direction of the frontier junction of Iran, Turkey and Iraq. This is a section inhabited by Kurdish tribes which Russia is believed to be backing in a move to re-create an independent Kurdistan.

American and Russian experts are now producing cotton in black, green, blue, red and brown.

about eight years of a ten-year sentence for false pretense. He also served time in York and Adams counties before that for passing worthless checks. He once escaped from jail here.

Sentz is a transient and travels afoot as far as police can learn. He is described as being 48 years old, five feet ten inches tall, weighing approximately 200 pounds and is of heavy build. He has straight black hair, frequently a lock hanging down over his forehead, dark complexioned, brown eyes and is shabbily dressed. He usually wears a slouch hat. He represents himself as a lumberman and is familiar enough with lumber to put over a convincing sales talk, police said.

GEN. MARSHALL A "STANDOUT" IN WASHINGTON

By JAMES MARLOW

Washington, (AP)—Gen. George C. Marshall is a standout in Washington where phony charm and double-talk sometimes substitute for straight thinking and speaking.

When the honest, modest General talks, it's straight to the point. He talks about what he knows and stops there. The words he needs for his answers always are amazingly ready. And they're accurate words.

He has a simple dignity which comes from his inner sureness and balance. He is not on the defensive and he's not trying to sell anything, even himself.

Distinguished Record

It is clear that he does what he can, the best he can, and is willing to be judged on that. When he doesn't know the answer to a question, he doesn't try to duck. He says he doesn't know.

When he retired as army chief of staff a few months ago he had completed one of the most distinguished military careers in history. Immediately President Truman asked him to go to China as American Ambassador.

He was to do a special job which badly needed doing: to try to restore peace in China by getting Generalissimo Chiang Kai-shek's nationalist government and the Chinese communists together.

In taking this job the General, who had earned his retirement, was doing his country an extra favor. He went to China, got the Nationalists and Communists together and laid the groundwork for peace.

Man of Good Will

He has returned to confer with American officials here and then will return to China to continue his job there.

After talking with President Truman and Secretary of State Byrnes General Marshall held a news conference in the State Department.

In plain army battle dress, he walked into the roomful of newsmen, said he would first explain what had been done in China, and then would answer questions. He did that.

When the newsmen later tried to explain to themselves the impression which Marshall had made upon them, one of them summed it up this way:

"He's a man of good will and it's easy to see he is."

This kind of performance by Marshall is not new. He was the same way when he testified during the war before congressional committees. Dale R. Welkert, S F 3/C, receives his mail U. S. Ship Saturn F-40, c/o fleet post office, New York, N. Y., which respected him, his judgment and his honesty.

EXECUTED NAZI DECOYS, HE SAYS

Paris, March 20 (AP)—The third day of Dr. Marcel Petiot's multiple murder trial found the defendant involved today in an effort to prove that the Jews among 27 persons he is accused of killing were Gestapo decoys executed by his mysterious "fly-tox group."

The argumentative doctor reached this point last night as the court took up the individual cases of 15 Jews whom the prosecution avers paid Petiot money on the promise they would be smuggled from Nazi-occupied France.

The defendant reiterated his opening day declaration that they were "Jews who were traitors" from his viewpoint as an alleged member of a resistance group. He denied killing any of the persons named.

He told the court the story of a Jewish woman working for the Gestapo. He said she asked refugees for their papers and then had them arrested. Petiot said his resistance group trailed her and caught 24 accomplices—part of the 63 persons who Petiot has said were "executed."

The first specific case mentioned in court was that of a French housewife, Madame Marthe Khait, who disappeared after telling her family she was going to see Petiot. Ten days later letters from her were pushed under the doorways of her family and two friends, saying she had left for the unoccupied zone for a rest cure.

Petiot testified he advised the cure, saw her to the station, and has not heard of her since.

Abbottstown

Abbottstown.—Mrs. Betty Hollinger held a formal opening on Tuesday night after having her beauty parlor enlarged. A large number of patrons and friends were present. Facial and make-up and manicures were demonstrated. Twenty-five door prizes were awarded. Mrs. Bernard Anthony won the first prize, a cold wave permanent.

Mrs. Abe Roth will move to the home of her daughter, Mabel, Hanover, Thursday. Miss Sue Howe, who resided with Mrs. Roth for many years, will make her home with Mr. and Mrs. Emory Alwine.

Chester, Pa., March 20 (AP)—Awakened by a homemade burglar alarm, Steve Colletta said he stalked an intruder through his darkened taproom early today, finally found him hiding behind the bar and shot him six times as they grappled.

Upper Communities

Mr. and Mrs. Luther M. Lady, accompanied by their son, Herbert, Biglerville R. D., and Charles, who is a student at Susquehanna university, Selingsgrove, attended the wedding of Miss Betty Straub, daughter of Mr. and Mrs. Frank Straub, and Charles Wonderly which was solemnized at the Baptist church at Roxboro Saturday afternoon.

The Ira E. Lady post of the American Legion will meet Thursday evening at 7:30 o'clock at the post home in Biglerville. The post commander, Chester Lawver, will preside.

Howard Steffen, of Batavia, N. Y., was a week-end guest of Ralph Taylor, Biglerville. The two young men were in service together for three years in the South Pacific.

Charles Tilton, of Flora Dale, has returned from a business trip to Philadelphia.

Mr. and Mrs. William W. Wilson, who had been with Mrs. Wilson's parents, Mr. and Mrs. Blaine G. Walter, of Biglerville, for some time, left recently to spend some time with Mr. Wilson's parents at Benton, Illinois.

Alexander Griest, who is a student at George School, is spending the spring vacation with his parents, Mr. and Mrs. Frederic E. Griest, of Flora Dale.

Congressman Chester Gross will be the guest speaker at the annual banquet of the Biglerville high school FFA club which will be held Friday evening at 7 o'clock in the community hall. Parents of members and future members of the club will be special guests.

Miss Ruth Koontz has completed the drive for Red Cross members in the Aspers district.

Pfc. Robert E. McKenrick, Ft. Jackson, S. C., is spending a 30-day re-enlistment furlough with his parents, Mr. and Mrs. F. McKenrick, Biglerville R. 1.

Store Returns To Dentler Management

The former Dentler store of Biglerville became again today the Dentler store after a lapse of a number of years.

Daniel P. Dentler, son of the founder of the grocery and general store, today took over management of the establishment after purchasing the store from Mr. and Mrs. J. Russel Mummert, who purchased it from Mr. Prowell, who in turn had bought the store from J. A. Dentler, father of Daniel Dentler, who had established the grocery and conducted the business for 25 years.

The new proprietor was discharged November 6, 1945, after four and one-half years service in the U. S. Air Force. He rose to the rank of master sergeant and served in Italy and Germany.

Shroyer Fires Dist. Engineer

Harrisburg, March 20 (AP)—John U. Shroyer, state highways secretary and independent candidate for the Republican nomination for governor, said today he dismissed Bernard Harding, Scranton district engineer, and sent the papers to Governor Martin for approval.

Shroyer, who is opposing Attorney General James H. Duff for the GOP nomination after Governor Martin and other Republican leaders endorsed Duff, said he has also dismissed Miss Hannah Morgan, Harding's secretary, and Guzzi, Harding's chauffeur. Harding receives \$5,250 annually.

Earlier, the governor's office said it had received reports of the personnel changes but the "governor has not approved the dismissal of Bernard Harding or anyone else in the Scranton office." All personnel changes, his office explained, must receive the governor's approval before they become effective.

NEW SS DIRECTOR

Harrisburg, March 20 (AP)—Lt. Col. Henry M. Gross, acting director of Selective Service for Pennsylvania since last August, today served as full director. Maj. Gen. Lewis B. Hershey, national Selective Service director, made the appointment yesterday upon recommendation of Governor Martin.

THE \$1 HAIRCUT

Pittsburgh, March 20 (AP)—The \$1 haircut became practically unanimous in Allegheny today. The price before had been 75 or 85 cents. The Master Barbers' association of Allegheny county, representing some 3,000 barbers in the city and county, unanimously approved the price increase last night.

COAST TO COAST

Chicago, March 20 (AP)—Six of the country's major east-west railroads have announced plans for daily coast to coast sleeping car service, a new accommodation to the traveling public which will dispense with change of trains.

MAY END POULTRY CEILINGS

Washington, March 20 (AP)—An OPA official said today the agency expects to suspend price ceilings on poultry "within the next few days." This official said poultry now is selling at less than ceiling prices.

VALLEY PEOPLE GREET CRUISER

Philadelphia, March 20 (AP)—The light cruiser Wilkes-Barre, bearing scars of its engagements with Japanese forces in the Philippine, Iwo Jima, Okinawa and Tokyo Bay campaigns, rested today at anchor in the Philadelphia naval base—the "welcome home" greeting of a Wyoming valley delegation still echoing across its deck.

The Wilkes-Barre, at sea since her commissioning in July, 1944, won fame for assisting the carrier Bunker Hill when it was hit by Japanese suicide planes off Okinawa last May 11.

A Wilkes-Barre committee, headed by Mayor Con McCole, greeted the ship as it docked yesterday. Capt. R. L. Porter, USN, former commander of the vessel, presented the battle flag carried by the Wilkes-Barre during the war to Mrs. Charles H. Miner. She christened the ship in 1944.

Presents Machine Gun Mayor McCole, in accepting a Japanese machine gun from Capt. Porter in behalf of his city, thanked the navy officer for "taking our own cruiser Wilkes-Barre through the hot and turbulent Pacific safely and while doing so brought honor and glory not only to the ship but to our fair city."

McCole told crew members that they were "free to call Wilkes-Barre your home where you will find a comforting welcome as warm and as intimate as the anthracite coal that has made our community one of which we are all proud."

Capt. J. N. Juvenal, USN, present commander of the Wilkes-Barre, told the 100-man delegation from the Wyoming valley area how the vessel went alongside the Bunker Hill and saved 40 men trapped on the carrier's burning deck. He said the men leaped on the Wilkes-Barre's decks as she moved in close, unmindful of the fires and exploding ammunition.

MORGENTHAU TO LOSE TITLE OF TOP SCORER

By TED MEIER

New York, March 20 (AP)—Big Bob Kurland, of the NCAA and Missouri Valley champion Oklahoma Aggies, and not Elmore Morgenthaler, of New Mexico Mines, apparently is going to win the 1946 National Collegiate individual high scoring basketball title.

A week ago Morgenthaler, who wound up the season with 595 points, seemed assured of finishing on top, but the weekly Associated Press tabulation today disclosed that Kurland, with two and possibly three more games to play, needs only 25 points to pass Morgenthaler.

Currently Kurland is in third place at 571, but at the terrific clip he has traveled in the Aggies' last nine games, he appears certain to cross the 600-point mark, thus easily passing Bill Hall, of Marshall, now second at 572, and Morgenthaler.

Last Wednesday Kurland rimmed 30 points against Oklahoma and on Monday night dumped in 28 points against Kansas to top off a nine-game streak that netted him 235 points, an average of 26 per game.

Two More Games

On Friday Kurland plays against Baylor in the Western NCAA eliminations at Kansas City and on Saturday against either Colorado or California, depending on whether the Aggies beat Baylor. A victory over the Southwest Conference champs also will assure the appearance of the Aggies in New York on March 26 for the East-West NCAA playoffs.

The top 10 scorers (400 or more points) as compiled by Associated Press:

LANCASTER OUT OF TITLE PLAY

Harrisburg, March 20 (AP)—Contenders for the Class B scholastic basketball championship move into the spotlight tonight with inter-district rivals listed to play three games.

Weatherly, playing for the first time as a Class B contender in District 11, faces Bridgeport, winner of District 1 laurels, at Allentown's Rockne Memorial hall.

Fell Township, newly crowned titleholder in District 2, meets Dalton, District 12 champion, at South Scranton high school.

East Brady, champion of District 9, gets its first test at Farrell against West Middlesex, District 10 contender.

Semi-Final

With only four districts competing for state honors in the west the East Brady-West Middlesex game will be in the nature of a semi-final contest with the winner meeting Stonycreek Township (District 5) next Tuesday for the western title. Stonycreek topped Roaring Spring, (District 6) at Altoona last night, 43-37.

In the east two other districts drew byes, with District 3's champion facing the Weatherly-Bridgeport winner on Saturday, and District 4's titleholder clashing with the Fell Township-Dalton survivor the same night.

District 3's championship will be on tonight's schedule with Palmyra facing Manheim Township at the He/shey Industrial school.

Meanwhile, the field of contenders for the Class A crown narrowed down to six, with the elimination last night of three more district champions from the title picture.

Radnor Is Winner

Radnor (District 1), taking the measure of Lancaster (District 3) by a 42-37 score, moved into the eastern finals by virtue of a semi-final bye.

Williamsport (District 4) earned the right to meet Allentown (District 1) in an eastern semi-final at Kingston Friday with an easy 53-19 victory over Wilkes-Barre GAR (District 2) at Kingston.

In the West Allegheny high of Pittsburgh (District 8) nosed out Kane (District 9) 44-41, at Punxsutawney to advance into the western semi-finals. The Pittsburgh city titlists, low face Warren (District 10) at Farrell on Friday to determine who will face Altoona (District 6) for the western crown.

The Allegheny-Warren winner meets the winner of the Altoona-Homestead game scheduled for Altoona Friday night. Homestead is WPIAL champion (District 7).

KUROWSKI MAY CHANGE UNIFORM

By GAYLE TALBOT
St. Petersburg, Fla., March 20 (AP)—The holdout of George Kurowski, crack Cardinals third baseman, is beginning to look like the real article, and it would not be surprising if he were sold or traded shortly to another national league club.

The pattern is correct. President Sam Breadon of the Cards is beginning to appear irritated when Kurowski's name came up. In the past that his proved a pretty accurate sign that some St. Louis player was about to change uniforms.

Kurowski, who led the Cards in hitting last year with a .323 average and is one of the best third-basemen playing today, is serious in his intention of not playing for the team again at the sort of pay he has been receiving. He said as much right after the 45 season ended.

Can Get More

It is generally thought his contract last year called for approximately \$10,000. It is known he was offered an increase, but it must not have been nearly enough Kurowski after looking at the record, doubtless feels he is worth somewhere close to the \$16,000 being drawn by short-stop Marty Marion.

He knows, too, that he could draw that kind of money, or even more, from several other National league outfits.

Panthers Announce Football Schedule

Pittsburgh, March 20 (AP)—The 1946 football schedule of the University of Pittsburgh, announced today, opens September 21 against Illinois, one of the four Big Ten foes.

Other games are: September 28, West Virginia; October 5, Notre Dame at South Bend; 12, Temple; 19, Marquette; 26, Purdue; November 2, Indiana at Bloomington; 9, Ohio State at Columbus; 16, permanently open; 23, Penn State.

The university team begins spring football practice today with a total of 103 seeking berths. Some of the candidates will have to train in civilian clothes until an additional supply of uniforms arrives.

Pete Gray Reports Offer From Mexico

Nanticoke, Pa., March 20 (AP)—One-armed Peter Gray, property of the Toledo Mudhens of the American association, says "someone in Mexico City" has offered him a contract to play baseball "South of the border."

Gray, who played in the outfield for the St. Louis Browns of the American league last season, would not say whether he was considering the offer.

Sold by the Browns to Toledo during the winter, Gray refused to sign a Mudhen contract because he "wanted more money." He declined to say how much he was asking.

WILDCATS MUST STOP CALVERLY

New York, March 20 (AP)—Rhode Islands state's doughty band of cagers who already have upset the dope bucket twice in the national invitation tournament have been made longshots again for their championship match with Kentucky's smooth five in Madison Square Garden tonight.

The oddsmen are favoring Kentucky by 8½ points, a fact which is far from displeasing to Ernie Calverly and his wild-running mates. Last team to be picked for the tourney, the Rams advanced to the final round by upsetting Bowling Green and Muhlenberg.

The Wildcats, who never got beyond the semi-final stage of the eight-team tourney before, were top-seeded this time and their play to date has justified their high rating. But to win, Kentucky will have to stop Calverly.

Hero of the 18,000 plus crowds who have jammed the Garden for all games so far, the slim, 145-pound dead-eye Dick has accumulated 43 points in his two contests and seems a cinch to win the most valuable player prize of the scramble.

West Virginia and Muhlenberg will class in the consolation opener at 8 p. m. (EST). The Mules are favored by five points.

Sports Roundup

By HUGH FULLERTON, JR.

New York, March 20 (AP)—It sounds slightly confusing, as so many things in this sports business are, but Al Sutphin, Cleveland's round man with the red necktie, claims that in many respects even boomtime sports don't pay their own way.

Looking at it from the arena owner's viewpoint, Al shows where a building with more than 10,000 capacity has a lot of seats that never pay for themselves and at the same time he explains that the American hockey league remains a minor circuit because most of its arenas don't have the seating capacities to pay big league salaries.

The explanation apparently is that the guy who puts up one of those big structures loses his dough and the one who takes it over at a bargain price can operate it profitably.

Another surprise is that boxing is one of the least profitable sports (for arena owners) outside of New York—Al claims that in Cleveland, America's second-best boxing city, his rentals are just peanuts and that the real reason the Chicago stadium barred fights was that they weren't bringing in enough dough.

He knows, too, that he could draw that kind of money, or even more, from several other National league outfits.

ONE-MINUTE SPORTS PAGE

Charley Marion, 19-year-old brother of the celebrated Slat, turned up in the Cardinals training camp this spring and his big brother explained he didn't know what position the kid played "but he was a whiz at football and basketball."

Positions apparently don't mean much to Marty, who was a third baseman when he first reported to the Huntington, W. Va., club of the middle Atlantic league but switched to short when he found the team was well equipped with third-sackers.

The story is that Slip Madigan of the Los Angeles Dons and Tony Morabito of the San Francisco 49ers had to flip a coin to decide who'd get the services of Norm Standlee in the All-America football conference.

Another story is that George Halas is flipping some coins that may bring Standlee back to the Bears.

A NERVOUS HORECK

Pete Horeck, Chicago Blackhawks' forward, was offered a \$500 bonus last hockey season if he scored 20 goals. He made the 20th in the final minute of the final game at Detroit.

This year Pete had the same deal on and racked up No. 20 at 17:58 of the final period of the season's wind-up at Boston.

BISONS DEFEAT INDIANAPOLIS

(By The Associated Press)

The usual high scoring contests that flourished during regular season play of the American hockey league were absent in the opening games of the circuit's Calder cup playoffs.

Buffalo's eastern division champions defeated the Indianapolis Capitals, western division flag winners, 5-1 last night in Buffalo while Hershey shut out Pittsburgh, 3-0, in Hershey and Cleveland blanked Providence, 2-0 in Providence.

Buffalo and Indianapolis resume their best-out-of-seven set in Buffalo tomorrow night while Hershey meets the Hornets in Pittsburgh in their best-two-out-of-three series and Cleveland entertains the Reds in their best-two-out-of-three conflict.

The victors of the Pittsburgh-Hershey and Cleveland-Providence battles will meet in a best-four-out-of-seven series to determine the opponent of the winner of the Buffalo-Indianapolis series in the final round.

Jackie Paterson Wins Title On Foul

London, March 20 (AP)—Jackie Paterson, Scotch holder of the world's flyweight championship, today also possessed the European bantamweight crown although he was unconscious on the floor when the 118-pound title was awarded to him on a foul.

The little Glasgow battler had been battered to the canvas three times for nine counts in the eighth round of his 15-round bout with defending European bantamweight champion Teco Medina last night when the Frenchman dropped him again with a punch to the stomach.

Paterson crumpled to the floor and was unconscious when Referee Moss Deyong ruled Medina's blow was low and awarded Paterson the fight and championship by a foul.

Up to the eighth the crowd of 5,000 fans who paid from \$2 to \$21 to witness the Albert Hall program, saw Medina hand Paterson a severe licking.

Medina weighed 117½ pounds to Paterson's 117½.

Contends Players Don't Know Rules

West Palm Beach, Fla., March 20 (AP)—American league umpire Hal Weaver says he is convinced that many baseball players and even a few managers "do not know the rules."

"The only time some of them ever look one up," Weaver—a big league arbiter for four years—declared, "is when they lose an argument with an umpire."

Weaver told a reporter umpires consult the rule book often, and ascertained some read the regulations four or five times each week.

Just Folks

By Edgar A. Guest

PURPOSE

Through the gateway known as birth
Come the souls of men to earth,
And at last the final breath
Swings the portals known as death.

Man or woman, 'tis the same.
Heaven and earth hold joys to claim,
But the living nothing bring,
And the dead leave every thing.

All distinctions mortals make.
With departure they forsake.
All the living view with pride
At the grave is thrust aside.

As we come, so must we go;
Trusting God, at last to know
Did we truly, year by year,
Try to serve His purpose here?

Today's Talk

By GEORGE MATTHEW ADAMS

THE FIRST STITCH

Thoreau tells of "Tom Hyde, the tinker, standing on the gallows." He was asked for a final statement, and his reply was: "Tell the tailors to remember to make a knot in their thread before they take the first stitch."

What a significant statement! It would save a world of crime and heartaches in this world if every boy, early in life, would tie a knot in honesty, in thrift, in decency of thought, and in dozens of other simple, fundamental virtues, and then go on to the important task of tailoring his life so that no part would remain weak in the seams.

The first stitch is like the first step. Its importance cannot be overestimated. FBI Hoover alarmingly states that juvenile delinquency is rapidly on the increase. Poor home training, or none at all, a disregard for the fundamentals of a good character, evil companions, and the love of cheap notoriety, each and all, pave the way for thousands of Tom Hydes!

Men and women of principle and conviction live on, and stalk head high in any crowd. To them we give our love, our confidence and our fellowship, as well as our following. They embellish us with their deeds. One Lincoln overtops a thousand Napoleons, and whole brigades of pignies, worshipping nothing but their dollars, their political power, or their cheap popularity.

The first stitch is the first lesson in security of character. With a knot in its thread, it paves the way to hope, the accomplishment of one's desires, and sets a standard for an exemplary life.

A mother wrote to me of her boy in the war, to whom she had sent a clipping, which she asked him to read and abide by. The urge, one day, came to him to desert. He packed up his bag, and was about to leave, when the clipping fell from a diary which he kept. He picked it up, read it again, unpacked, and decided that he would not disgrace his mother and stayed at his post. That boy never came back, but a proud mother lives to rever the memory of a boy who had a knot tied to his first stitch!

Army Officer Held In Narcotics Probe

Philadelphia, March 20 (AP)—Haold Gross, 26, a Warrant Officer, junior grade, in the army, was held for court action yesterday charged with conspiracy, sale and possession of narcotics in connection with the theft of 23 packages of morphine from GI field kits.

Police officers testified before Magistrate John J. O'Malley that the morphine was stolen while Gross was stationed at Camp Shanks, N. Y. Gross offered no defense at the hearing.

Assistant U. S. Attorney D. Barlow Burke told O'Malley that Gross faces Federal prosecution because he removed "vital medicine that was intended for the ill and wounded and has betrayed his trust as an officer of the U. S. Army."

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

TWENTY-FIVE YEARS AGO

Straban Couple Weds: Miss Beda Mae Topper and Howard Earl Eckert, both of Straban township, were married in the St. James Lutheran parsonage here Saturday night by Dr. J. B. Baker. Miss Topper is a daughter of George W. Topper and Mr. Eckert a son of Harry A. Eckert.

Three Winners From East Berlin: To East Berlin High School goes the spelling honors for Adams county since the annual contests here have become an annual event. Saturday's contest marked the eighth of its kind and clearly established the superiority of spellers from East Berlin. Students from that school have won three of the last five contests. Ara Sclar, of East Berlin, who won this year's contest, won the fifth prize in 1919.

Sold Residence: Rev. S. L. Rice, of Seven Stars, purchased the residence of Brady Sefton on Steinwehr avenue. The consideration was \$3,400.

Recent Deed Recorded: P. M. Mishler and wife to Homer S. Hill and wife one lot on Chambersburg street, Gettysburg.

Vote to Ordain Wade Avenue: For the first time in the history of Gettysburg, the town is to ordain a street and name it in honor of a woman. Action to this effect was taken at a special meeting of the Town Council when Councilman Funkhouser presented a motion ordering the ordinance committee to prepare an ordinance designating the short thoroughfare, extending east at the top of the hill on Baltimore street to the alley, Wade avenue, in honor of Jennie Wade, the only woman killed in the Battle of Gettysburg.

Is Notary Public: Miss Nina G. Storrick has received a commission as notary public from Governor Spruill and will follow that occupation in the law offices of J. Donald Swope.

Accepts Fairfield Call: Ralph Baker, Gettysburg Theological Seminary student, has accepted the call of the Fairfield Lutheran church. Mr. Baker was unanimously chosen for the position at a congregational meeting in Fairfield on Sunday evening.

Board Names New Health Officer: At a special meeting of the Board of Health here Monday night, Earl Deardorff was elected to succeed David M. Crist as health officer and secretary of the Gettysburg Board. Mr. Crist will leave Gettysburg in the near future for Walkersville, Maryland, to enter the general merchandise business.

John W. Brehm, president, Charles Hartzell, Charles Speese, Ray Rupp and Dr. H. M. Hartman were all present at the Board meeting which was held in the Brehm tailor shop.

Nurses Arrive: Miss Carrie E. Stout, head nurse at the Hospital, accompanied by Miss Hart, one of the assistant nurses, arrived here Monday morning. Another nurse arrived later.

Brief Ceremony As Doors Open: With brief but impressive ceremonies on Tuesday afternoon the Annie M. Warner hospital was officially opened in the presence of the members of the Board of Women's Auxiliary and county physicians. John M. Warner, donor of the building and grounds, and Mrs. Annie M. Warner, his wife, were present. Dr. J. A. Singmaster, president of the Board of Trustees, offered the dedicatory prayer and made a short address. Rev. Paul R. Pontius read the scriptures.

Moves On Hollinger Farm: W. M. Mickley, of Welch Run, Franklin county, has moved to the farm two miles north of Gettysburg, formerly owned by Albert Hollinger, who recently moved to Canada. Mr. Mickley purchased the Hollinger farm for \$17,000.

Two Cantatas Sunday: Crowds which packed both churches were present in the Trinity Reformed and St. James Lutheran churches Sunday afternoon and evening to hear the rendition of "The Crucifixion" and "Olivet to Calvary."

At Trinity Reformed solo parts were taken by Miss Ellen Tipton, Rev. Paul Pontius, Harry Sachs, Earl Streig and Harvey Webner.

Solo parts at St. James were taken by Mrs. R. E. Zimm, H. P. Belknap and John Doub.

Mrs. Carrie Pretz directed the Reformed and Mrs. J. B. Baker the St. James cantata.

Personal: Edgar A. Moser, of Philadelphia, has arrived at his home here for an indefinite stay. Mr. and Mrs. James Shindedecker, North Stratton street, announce the birth of a son.

Mrs. W. H. Danforth is making an extended visit to the home of her parents in Vermont.

Mr. and Mrs. James H. McGlaughlin, of McKnightstown, announce the birth of a son, Robert Curtin, on March 13.

After spending a vacation of one month at her home on Lincoln avenue, Miss Martha Neely, student army nurse, has returned to Walter Reed hospital in Washington.

33 ARMY, NAVY MEN KILLED IN PLANE CRASHES

San Francisco, March 20 (AP)—Crashes of two big army planes in northern California mountains yesterday apparently took a death toll of 33 army and navy men, whose bodies ground crews labored in difficult terrain today to recover.

Twenty-three bodies, some of them buried several feet in snow, had been found early today at the scene of a C-47 crash in the Sierra Nevada, a mile from the ghost town of Hobart Mills and seven miles from Truckee, Calif. Three others listed on the flight from Stockton, Calif., bound for Ogden, Utah, were believed in the yet inaccessible flight control compartment of the wreckage.

The list of dead announced by the army included two Pennsylvanians and one New Jersey resident. They were:

C-47 Exploded in Air
Cpl. William T. Woodhouse, Yardley, Pa.; S. I. C. Gerald P. Udeli, Philadelphia, and QM 3/C Robert A. McGee, Mantua, N. J.

A ground squad pushed toward the wreckage of a B-29 which crashed with seven crewmen into the top of a 3,820-foot peak near Livermore, 30 miles southeast of San Francisco. The bomber came from Hickam Field, Honolulu. Its radio reported engine trouble several hours before the plane plummeted to earth 10 feet from the top of the peak.

Witnesses said they saw the C-47 explode in air, and Captain Harold Simer, commanding the Reno, Nev., Army Air Base, said the wreckage indicated a wing, which had not been found, was blown off before the crash.

Must Denazify Reich For Peace In World

Philadelphia, March 20 (AP)—Future German aggression and future war is a possibility, says former Secretary of the Treasury Henry Morgenthau, Jr., if the Allies fail to denazify and deindustrialize the Reich.

Morgenthau, in a speech before the American Academy of Political and Social Science Monday night, urged the United Nations to carry out the "spirit and the letter" of the Potsdam declaration.

"In my judgement," he said, "the failure of the occupation powers (U. S., England and Russia) to carry out a clear-cut, cohesive policy to remove the threat of future German aggression lies at the heart of present United Nations difficulties. If we can reach real agreement on the treatment of Germany the other elements in the European settlement will fall into place."

Billion In Loans Expected By Fall

Savannah, March 20 (AP)—Delegates to the Savannah International Monetary conference were home-bound today, hopeful that both the world bank and world monetary fund as organized here would be in operation by fall.

Secretary of the Treasury-Fred M. Vinson forecast that the bank would have made "substantial" loans, particularly for the reconstruction of war-shattered countries, by the end of the year.

Other delegates estimated the probable loans at \$1,000,000,000 to \$2,000,000,000 by that time. They foresaw such depleted nations as Greece, Poland, Czechoslovakia, Holland and China as early applicants, while South American republics were expected to come in quickly for "development" loans—the upbuilding of industrially lagging nations.

U. S. federal and state governments owned 102,783 motor vehicles in 1944, according to the OPA.

Reading Has Strike Of Building Workers

Reading, Pa., March 20 (AP)—A strike of approximately 300 unskilled construction workers for an 18½ cent an hour wage increase hampered a number of building projects in the Reading area today.

The workers quit yesterday. Spokesmen for the contractors said the strikers, previous to the walkout, were paid at the rate of 80 cents an hour with time and half for work after 40 hours in one week. The workers were paid double time for Saturday and Sunday work.

Representatives of the strikers were not immediately available for comment.

Wage Minimum May Be Shelved

Washington, March 20 (AP)—Senate leaders debated Tuesday shelving the new 65-cent Minimum Wage Bill temporarily because of the strong opposition it faces and because of a farm bloc threat to use the measure to seek higher agricultural prices.

Backers of the administration's wage legislation seemed to feel that delay might work to their advantage, hence they talked of switching consideration to two pending appropriation bills.

One provides \$264,114,000, the bulk of which would go to meet pay increases recently voted for federal employees.

The other bill carries \$3,347,200 for war agencies, including \$1,600,000 for OPA and \$1,500,000 for the Civilian Production Administration. Both measures are to cover the remainder of the current fiscal year which ends June 30.

SHVERNIK NEW PRESIDENT OF SOVIET UNION

By EDDIE GILMORE

Moscow, March 20 (AP)—Nikolai Mikhailovich Shvernik, 58, a leader in the trades union movement in Russia, became the chairman today of the Presidium of the Supreme Soviet, a post generally referred to as President of the Soviet Union.

He succeeds Mikhail Ivanovich Kalinin, known to millions of peasants as "the grand old man of the Soviet Union," who resigned because of failing eyesight. Kalinin, 71, had held the office for 27 years. He remains a member of the Presidium.

The Supreme Soviet, before adjourning its first post-war session last night, also re-elected Generalissimo Joseph Stalin chairman of Russia's Council of Ministers (Premier). The vote was unanimous. Stalin also retains his title of Generalissimo and remains head of the Soviet Union's armed forces and secretary general of the Communist party.

(The Moscow radio, heard in London, said Stalin henceforth would be called "prime minister.")

Son of Janitor
Stalin first was elected chairman of the Council of Ministers—then known as Commissars in May, 1941. He succeeded Vyacheslav M. Molotov, who has been re-elected vice chairman of the Council and continues as Foreign Commissar, to be known in the future as Minister of Foreign Affairs.

Shvernik, the son of a janitor, has

Veterans Lose Super-Seniority

Pittsburgh, March 20 (AP)—Allegheny Ludlum Steel corporation today announced it has signed an agreement with the United Steel Worker's Union (CIO), which calls for all production workers, including returning veterans, to be given jobs on the basis of union contract seniority.

Ralph C. Edgar, personnel director, said the agreement was "a departure from the practice followed in recent years under which employees returned from military service have been accorded 'super-seniority' resulting in some cases in the veterans displacing employees with greater length of service."

The U. S. Circuit Court of Appeals last March 4 ruled veterans should be restored to original jobs without loss of seniority rather than be given "super-seniority."

been first vice chairman of the Presidium since February 1, 1944.

The Presidium—comparable to the cabinet in other countries—is the supreme authority in the U.S.S.R. when the Supreme Soviet is not in session. It convenes sessions of the Supreme Soviet, ratifies treaties, interprets laws, conducts referenda, and has power to declare war.

A-BOMB EXPERT HELD FOR TRIAL

London, March 20 (AP)—Dr. Alan Nunn May, 34-year-old British physicist who worked on nuclear research in the wartime pursuit of atomic energy, was held for trial Tuesday on charges of violating the official secrets act by giving atomic information to an undisclosed person.

May was refused bail by Magistrate Harold McKenna of Bow Street court, who said the defendant's release might be "against public policy."

May pleaded innocent to violation of the secrets act, which provides a maximum penalty of seven years in prison for persons convicted of giving information "prejudicial to the safety and interests of the state."

Gerald Gardner, attorney for May, demanded to know who might have been "an enemy" at the time, late

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ritz Compound, a two-week supply, today. Mix it with a quart of water, add the juice of 4 lemons. It's easy. No trouble at all and pleasant. You need only 2 tablespoons full two times a day. Often within 48 hours—sometimes overnight—agonizing results are obtained. If the pain does not quickly leave and if you do not feel better, return the empty package and Ritz will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ritz Compound is for sale and recommended by Peoples Drug, Rex & Derick and drug stores everywhere.

the opening of

DENTLER'S STORE

BIGLERVILLE, PA.

I am pleased to announce to the people of Biglerville and vicinity that I have purchased from Mr. J. Russel Mummert the Self Service Grocery and Meat store effective Monday.

This store was operated by my father, the late J. A. Dentler for many years. Hence it is with personal pride that I take over this store under the Dentler name.

As soon as materials are available, I plan to remodel and renovate the store to make larger quarters for the new lines that will be offered to our customers.
